

CONTACT INFO FOR COSTA RICA

It will not be easy for travelers to call home to Michigan and vice versa. Cell phones will not work. Calling cards may be purchased at the airport in Costa Rica, but we will not always have access to a pay phone. Also, there will be no internet access in Costa Rica. Assume that there will be no direct contact between Michigan and Costa Rica. Please see the notes below.

Non-Emergencies

Jon Bartholomay will be receiving occasional calls (every 2 to 3 days) regarding the status of the trip. If you would like an occasional update, you may call or email him:
